

The Tiger Tribune

Letter from The Editor:

September winds are blowing and we're all settling into our school routines! This month isn't our usual newsletter, but a short publication with some amazing riddles at the end sent in by one of our readers! (You can send some in as well by using the information provided at the end.)

This month we're looking to add more contributors to our amazing staff - all you have to do if you are interested in writing for us is email cwcstigertribune@gmail.com with your name, age, and grade level and we will get back to you as soon as we can.

The staff of the *Tiger Tribune* wishes you all a wonderful fall semester and looks forward to including many more of you!

Sincerely,
Jannah Khan
Editor-in-Chief

The Letterbox

Only one color, but not one size,

Stuck at the bottom, yet easily flies.

Present in sun, but not in rain,

Doing no harm, and feeling no pain.

What is it?

I can hold you prisoner

Or set you free

I can swing with ease

(Though not from a
tree)

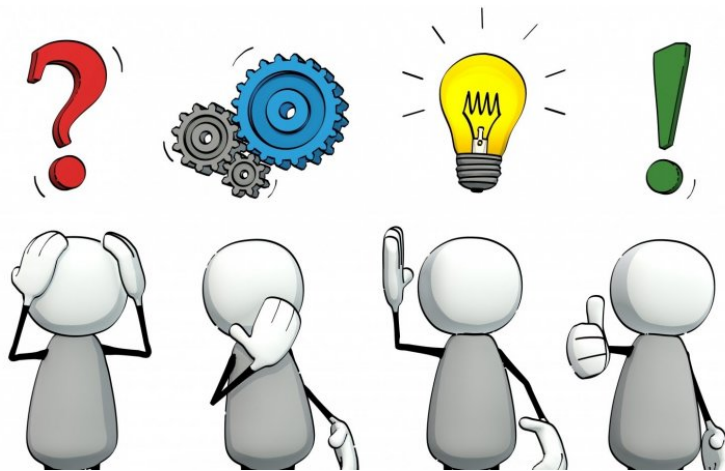

I have many shapes I have many sizes

Yet, 'til we shake hands I'll hide my
surprises.

What am I?

The rungs of a 10 foot ladder attached to a ship are 1 foot apart. If the water is rising at the rate of one foot an hour, how long will it take until the water covers over the Ladder?

Now, readers like you are able to contribute suggestions, fun facts, jokes and comments for improvement to our newsletter! All you have to do is email your contribution to cwcstigertribune@gmail.com with your name and grade level and check here next time our newsletter comes out!

This is ideal for those of you who don't necessarily want to, or have time to, commit to becoming staff writers - however, if you *would* like to become one of our regular staff writers please email us at cwcstigertribune@gmail.com with your name, age, and grade

level - we look forward to working with you!

Riddle Answers

1: Shadow.

2: A door.

3: It will never cover the ladder because as the water rises, so will the floating ship.
