

## Here is a list of helpful Apps that our staff and parents use that make our digital world and communication easier:

### ePortfolios:

[Phonto](#) (Apple & Google Play) helpful when collecting/grading samples

[Cymera](#) (Apple & Google Play) helpful for adjusting and adding grades to samples

- [Cymera PDF Instructions](#)

WebApp: [PDF Mergy](#): Merge single page PDF documents that students/parents scan and send

**Scanners:** a scanner in your pocket enables you to quickly scan documents on the go and email the scans as JPEG or PDF with multiple pages (for taking CLEAR sample pictures).

[Genius Scan](#) (Apple & Google Play)

[Scanner App](#) (Apple & Google Play)

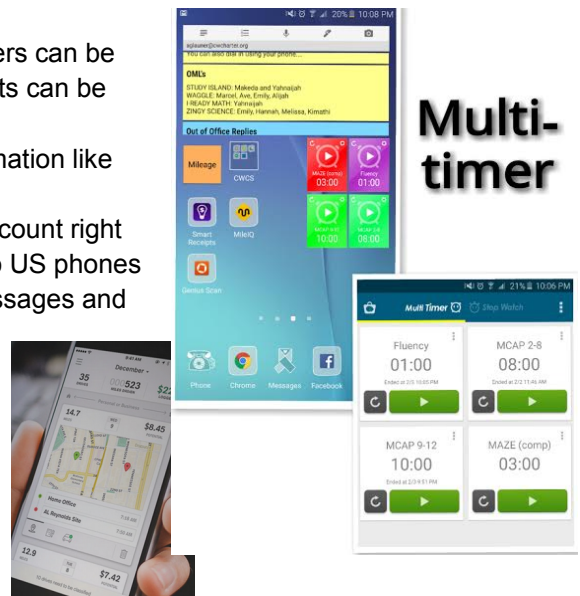

[Docscan](#) (Apple)

[JotNot](#) (Apple)

[Scanner Pro](#) (Apple) great for scanning then emailing; scans may contain multiple pages

### Organization:

- [MultiTimer](#) (Apple & Google Play) Great for Rtl timing: Multiple timers can be set, independently started and run at the same time. Stopwatch results can be stored.
- [Google Keep](#) (Apple & Google Play) Store/organize valuable information like you would with sticky notes, only access Keep anywhere!
- [Google Voice](#) (Apple & Google Play) Access your Google Voice account right from your iPhone, iPad and iPod Touch. Send free SMS messages to US phones and make international calls at very low rates. Keep track of Text Messages and Phone Calls via email. Get transcribed voicemail—save time by reading instead of listening.
- [Smart Receipts](#) (Apple & Google Play) Take photos and store receipts.
- [MileIQ](#) (App Store and Google Play) Automatic mileage tracking makes it easy to capture every mile you drive.
- [Waze](#) (Apple & Google Play) Waze is the world's largest community-based traffic and navigation app.

### Educational:

- [PhotoMath](#) (Apple & Google Play) Photomath is the world's smartest camera calculator! Just point your camera to a Math expression, and PhotoMath will instantly display the answer.
- [Essentials by AcceleStudy](#) Learning a foreign language is a core part of high school curriculum. Whether you've enrolled in fourth period French, Italian, Spanish or Chinese, this app will be your study guide. It provides pre-made flashcards for learning vocab and audio quizzes to help your speech and pronunciation. Plus, it's free.
- [SAT prep](#) and [Easel SAT prep](#) on IOS
- [Stack the States](#) (Apple) Games to teach about the 50 states, shapes of states, flags, capitals and locations
- [Stack the Countries](#) (Apple) Games to teach country capitals, landmarks, geographic locations, and more
- [Happy Frog free apps](#): Inference Clues, Main Idea, CCSS aligned
- [iTooch](#) (Apple & Google Play) Foundational ELA and Math skills K-6 CCSS aligned
- [Fry Words](#) (Apple & Google Play) Reinforces sight word training with visual and audio support. Good for early readers and ELs.
- [MyScript Calculator](#) - Calculating app for grading math
- Website: [Teachingchannel.com](http://Teachingchannel.com) - loaded with videos, free
- Website: [Teacherspayteachers.com](http://Teacherspayteachers.com) - tons of teaching tools, graphic organizers, lessons, searchable for "free" resources

### Other helpful apps:

- Evernote, duolingo, IEW, Nook, Dictionary 1828, Kindle, All Recipes, AC Library, 7 minute workout, Dragon Quest, Geometry quest, Librivox, Google Translate
